

As part of our on-going effort to simplify and streamline the Initial Closing Disclosure process, Land Home Financial Services, Inc. (LHFS) has created an optional Closing Disclosure ("CD") Contact Form that may be used in connection with the scheduling of closings.

Note: While LHFS does not require a loan to be cleared for closing before requesting the initial CD, it is imperative that each of the items named on the CD Requirement Overview have been provided, as these are the items which "lock down" rate, term, and value. Incomplete initial CD Requests will not trigger the release of a compliant or timely CD, so please take a moment to ensure the items below are completed.

To initiate the CD process please provide the information requested below.
