

Settlement Service Provider List (SSPL)

Date Issued:

Borrower's Name:

As noted on your Loan Estimate (LE) there are various settlement services required in connection with your loan for which you are free to shop for your own provider. To assist you, we are providing you with the contact information for local providers who offer these services. You ARE NOT obligated to use one of the service providers listed below; you may shop around and find your own service providers.
